ALLEGRO AND INTERLUDE  
INVISIBLE VISIONARIES COLLECTION

**BENTLEY**

## Allegro and Interlude

Invisible Visionaries specifically applauds the tremendous talent of costume designers with Allegro and Interlude. With its nod to the fabrics of the trade, Allegro explores the juxtaposition of the delicate nature of what a dancer wears and the physicality of how that costume must perform. It's grace and grit personified. While Allegro represents movement, Interlude examines craft, and the constant pleating and pinning that happens with each fitting.
