BATISTE

LUXURY VINYL TILE

BENTLEY®

Batiste

Contrasting, inverse, opposite - all words that effectively and positively support the conception of Bentley's **Batiste**. Inspired by one of the finest weaves, the softness of a batiste fabric is an unusually unexpected source of inspiration for a hard surface flooring; yet is the perfect juxtaposition of strong performance and soft aesthetics.

With its woven appeal, Batiste offers up a visual that provides an understated canvas upon which a wide variety of finishes can reside, while at the same time functioning as an elegant solution to standard hard surface options. It's the perfect product to weave into the fabric of any project.
